*I was able to represent The Regional Area Hospital & Institution of Narcotics Anonymous to answered questions and get information how we can serve the Correctional Facilities
It was very informative as you can see there was more than just Prison at the conference.*

**MASCA is a non-profit organization
with members from CT, DE, MD, NJ,
PA, NY, and DC. We are a professional
organization for those involved in
court administration, juvenile justice,
probation and parole, institutional
and community corrections as well as
for citizens with a vital interest in the
juvenile and criminal justice fields.**

Overall we were able to get over 40 contacts for all H&I and SBTW.

There wasn't a lot from New Jersey at the conference they covered the other states mostly.

CT, DE, MD, PA, NY, and DC. We had Public Information members there for PA, NY; CT. Maryland is struggling to get any support from Narcotics Anonymous. Wilvena and Doug will be reaching out to that area.

I concentrated on the NJ prison and some PA for SBTW. We found out that a lot of the prison and court administration want Narcotic Anonymous for their clients and the inmates but didn't have any contacts. Public Relation will be reaching out to the different areas to find the support for these Institutions.

These are some of the Institutions that we may be able to reach out to.

We can pass this on to the areas that are in these regions of H&I sub-Committees.

For SBTW I was able to get some information for the subcommittee about getting SBTW in some of the Prisons, I will share that information with them in my report.
